

SERVICE CONNECTION CHARGES

Service connection charges herein described, apply to all ordering, installing, changing or substituting of telephone services offered by the Company and are non-recurring. The definition and application of these charges are as follows:

GENERAL

- (1) Basic Service Order Processing Charges apply on each customer order for all work or service orders to be provided or changed or reconnected at one time at the same location for the same customer. These charges cover work associated with receiving, establishing records and processing any service ordered to be completed or changed at any one time. This charge applies to all requests for service initiated by a customer.
- (2) Network Access Charge shall apply at the time of initiation of new services or the re-initiation of a discontinued service to the same customer whenever central office service is connected to a customer's premises. This charge is associated with the connection of company facilities (drop wire, protector, ground unit) to the customer's premises and applies to each central office line so connected. This charge covers travel time and work in central office facilities related to the connection of associated facilities required to render service.
- (3) Premise Visit Charge applies for any work, equipment or service ordered, changed or substituted by the customer which requires a premise visit by Company personnel for the purpose of installation, moving, reconnecting or changing equipment and facilities associated with service.
- (4) Restoral of Service Charge applies for the restoral to normal of a service that has been either totally or partially suspended because the customer has not paid sums due the Company. This charge is independent of the number of units involved and is in addition to all monthly charges due for service rendered.

(C)

Service Order, Network Access and Premise Visit charges apply instead of the restoral charge for service re-established after the service contract has been canceled by the company.
