

From the Manager's Desk

Dear Valued Customer,

The National Do Not Call Registry was created to stop all of those annoying unwanted sales calls. It's free to register your home phone number, all you need to do is go to DoNotCall.gov. Once you register your number on DoNotCall.gov, you will receive an email containing a link that you will need to click on within 72 hours to complete your registration.

Your phone number should be on the registry by the next day, but it could take up to 31 days for the sales calls to stop. Your number that is registered will never expire. It will only be removed from the Registry if it's disconnected or if you ask for it to be removed.

The Do Not Call Registry will only stop sales calls from real companies. This does not stop calls from scammers who ignore the Do Not Call Registry. For even more added protection against unwanted calls, you can also sign up for RoboBLOCK, which allows us to block robo callers who use fake Caller ID numbers. RoboBLOCK is \$1.00 per month. For more information, visit our website at ptelco.com.

Thank you for choosing Palmerton Telephone Company. We are here for you. If you need any assistance or have any questions, please give us a call at 610-826-6650, visit our website at www.ptelco.com or stop in.

Best Regards,
